The three designs that won were Silver A' Design Award for Blue Daisy Multifunctional Earrings, Bronze A' Design Award for Blue Daisy Multifunctional Ring and Bronze A' Design Award for Blue Daisy Multifunctional Pendant. Ivy Teong explained "I started designing the Blue Daisy in 2018 taking inspiration from blue daisy flower which the colour is rare, unique and mystic in compare to pink or peach daisies. The full journey to create these innovative pieces took some time as there were challenges pertaining to design research and modifications, choosing the right gems, dealing with expert team and technical considerations".
